Are Drilled in the Wallace Field in Sardis District in This County.

On Rock Camp run the Vesper Oil Company has completed its second test on the E. C. and W. L. Perry farm and it produced 300 barrels the first twenty-four hours after it was drilled into the Gordon pay.

On Big Elk in the same district, Senator Nathan Goff's No. 50 on his own farm produced 325 barrels the first twenty-four hours after it was drilled through the sand. In the same district the South Penn Oil Company's test on the A. A. Bartlett farm is drilling in the top of the sand. This well in one location removed from Grove and Pariah's No. 2 on the K. W. Ogden farm, a good producer. On Rock creek, J. T. Miller and Company No. 2 on the J. T. Lanham farm is holding up at 180 barrels a day.

OBSERVANCE

Of Christmas Day at the Trinity Methodist Episcopal Church Includes a Sermon.

Christmas Day was observed at Trinity Methodist Episcopal church, colored, with a sermon at 10:45 a. m. by the pastor, the Rev. J. H. Jenkins. Excellent music was rendered by the choir, though but few of the members were present. At 8:30 p. m. a program was rendered by the small children, and a beautifully decorated Christmas tree furnished entertainment for them. Although the weather was inclement a large number attended. The superintendent of the Sunday school was the recipient of many gifts, and the school remembered her by renewing her yearly subscription to the Southern Christian Advocate. The superintendent of the school presented the children little books which were greatly appreciated.
